可道中學視覺藝術科

Project Brief [3] for AL level Visual Arts Student (06-08)

Title: Studies in Pictorial Dynamics

1. RESEARCH

Use photographs to capture the elements appearing in pictorial dynamics. These elements are unity, contrast, affinity, dominance, repetition, harmony, balance, gradation, tempo and rhythm. Use correct wording to describe what kind of feeling, concept, emotion, that those photos give you.

Date of Presentation:: _____

2. DEVELOPMENT

From the above research, try to develop and use appropriate photographic techniques to present your own findings in pictorial dynamics and aesthetics.

Date of Presentation:: _____

3. PRODUCT

Select one element or a combination of different elements in pictorial dynamic, shot a series of well-planned photos to show your learning and findings in this project.

Date of Presentation:: _____

- * *Use appropriate media to record and present your ideas.*
- * *There is no right or wrong answer for creative work, the main point is to open your mind.*
